

Sampler Quilt Along 2022

Borders:

1st border: (I used same fabric as the dark in the alternate block)

Cut 7 (10) strips, 1 ½" x wof, sew end to end, short ends together to make one long strip. You can sew the pieces straight across or on a diagonal.

2nd border: Lap: Cut 7 or 8 strips (depending on width of your fabric),

3 ½" x wof. sew together end to end, short ends together to make one long strip.

Queen: Cut 10 or 11 strips (depending on width of your fabric),

5 ½" x wof. sew together end to end, short ends together to make one long strip.

Binding:

Cut 7 (11) strips 2 ½" x wof, sew end to end (short ends). Binding should always be sewn on a diagonal.

Notes: If you want to make sure your quilt lays flat, **always** measure the borders and cut to size. Pin to quilt matching edges and quarter markings.
