Ruler Requirements:

Standard 6 x 24 ruler

6.5 x 6.5 square and/or 12.5 x 12.5 square

I will be demonstrating the traditional piecing methods, as well as with the following specialty rulers

- Bloc Loc
- Tucker Trimmer
- Wing Clipper
- Folded corner

In my opinion, I do not consider these “Specialty” rulers – we use them all the time and they should be in our tool boxes.
