

FLOATING STARS

~ Week Seven ~

We recommend the *Corner Beam* (previously called *Spotlight*) ruler by Studio 180 Designs for this week's unit.

Note: in cutting instructions the piece count for the different sizes of quilts will be listed as lap(double,queen)

CORNER BEAM UNIT (in *Large Star*)

Fabric A

- cut 2(4,6) strips 5" x WOF
 - subcut to 24(48,64) *pairs* of side triangles using Corner Beam ruler (we'll do this Live)

Fabric C

- cut 3(6,8) strips 5" x WOF
 - subcut to 24(48,64) 5" squares

Using these pieces, make 24(48,64) Corner Beam units.
Unit should measure 4 ½" after trim up.

***Note:** for those who do not have the Corner Beam ruler, we have added paper piecing templates to the group files that can be used to make this unit.
